b) Making a booklet "A Country Factfile".

T: Now let's have a look at our booklet "A Country Factfile".

We started with the proverbs:

East or West, home is best.

There is no place like home.

Then we spoke about Great Britain, America, Russia, Buryatia and Ivolga. But the reason we have such an unusual lesson is that you're celebrating the 95th anniversary of your Ivolginsk secondary school.

1. Do you like your Motherland - Ivolga? - P1

2. Do you like your school? - P2

3. How can you show that you love and respect your school and teachers?
- P3

T: For example, in America people have "Pledge of Allegiance" to the Flag of the USA, students at school read it every day before the lessons. Besides, they have "The American Creed".

Can we make "The Russian Creed"?

So we can make "Ivolginsk Secondary School Creed". Let's try to read it all together.

3. Завершающий этап

Today we presented factfiles on Great Britain, Russia, Buryatia and Ivolga. I believe you've learnt something interesting about our Motherland. I hope when you meet tourists or visitors of Ivolga or when you visit other places or countries yourselves, you will be able to speak about your Motherland. You've done a good job using different sources of information.

We will give this booklet to your Ivolginsk secondary school so that all the teachers and students will get acquainted with our work.

Your homework is to write an article or make presentations with factfiles on Ivolginskyi district.

Send then to: lara3@mail.ru

Thanks for the work! Hope to see you in the future! Have a nice day!
